

**Position: Registered Nurse or, Registered Practical Nurse**

Herzig Eye Institute is a state-of-the-art facility specializing in cataract and refractive procedures. We are presently seeking an energetic, highly motivated individual to fill the position of RN or RPN in our Ophthalmic Ambulatory Surgical Centre (ASC) located in the heart of Toronto.

The successful candidate must have a desire to help enrich the patient experience from the first point of contact, through the procedure itself and to the final post-operative examination. They must also have excellent communication skills and the ability to multi-task in a fast-paced environment.

**Responsibilities Include:**

- Ensure overall efficiency of the OR
- Have an ability to rotate in for all OR nursing roles; scrub, circulating (scouting), pre and post care (RN only)
- Implement new policies & procedures upon notification from Medical Director and/or Clinical Manager, assist with inventory management and ensure proper operation of all equipment.

**Requirements:**

- RN (Current registration)
- Surgical Nursing: 3 years (preferably in an ASC setting in ophthalmology or cosmetic plastic surgery)
- ACLS Certification (required by RN to work PACU)
- Excellent computer skills (Experience with EMR, Nextech, EyeMD, etc. is a plus)

**Soft Skills:**

- Customer service driven – project a professional, knowledgeable, compassionate and high-end customer service approach with patients at all times
- Excellent written and communication skills
- High energy, positive, relatable and able to engage with team

Part-time and Full time positions available
